

SMA CARE

FOR WALKERS AT YOUR FINGERTIPS

Since the first standards of care (SoC) publication in 2007, increasing evidence has shown that people living with spinal muscular atrophy (SMA) can expect a better quality of life.

In 2017, the updated SMA SoC guidelines were published with changes to SMA management and care, created by:

26 EXPERTS & PATIENT REPRESENTATIVES FROM 9 COUNTRIES

IMPROVED MANAGEMENT + CARE OPTIONS = BETTER QUALITY OF LIFE
